1955  
HIT PARADE

Joel  
Mickelson

Sooty,

My good friend who always  
ran for the school here  
with me. I'll never forget  
those days. I'll always  
remember that day at Cal.  
Park when my suit went  
up - I think goodness -  
you were there to catch it  
with a camera. Remember  
the days in gym when we  
were determined to win a  
game? What the time  
we got our pants whipped  
off of us, and those days  
in shorthand class when  
you made me laugh  
when I was supposed to  
read a letter, eye-eye, Ann.

Soot,

To my best friend.  
you better be careful or  
you'll find yourself  
married next spring  
- w o o - o - - - ! We've  
had fun in Rye and  
all over. I shall never  
forget Mem day in 54.  
In 55 we had fun on  
Memorial day. So you  
see we have fun together  
so let's stick together in  
the future. Love  
you ever yours  
Love, Ruth Ann

# "Stranger In Paradise"

As a Stranger, I entered the doors of Thornton Fractional High School on September 6, 1951.

Soon I was to become a part of a new and wonderful life.

As I look back, those four years are only a memory. Although they went by too quickly, they will never be forgotten.

Now, as a senior, I am approaching graduation. After receiving that coveted diploma, I shall travel along my own "Path to Paradise."

## *The Top Numbers On "Our Hit Parade"*

Mr. Jackson Kiester, superintendent of T.F., has received the enthusiastic commendation of the students. His work might be compared to that of a band conductor, in that he has to see that all of the sections of the school are in harmonious accord with the others.

Mr. Aitken Young, assistant superintendent, has helped to make the 1954-55 "Hit Parade" the biggest and best ever presented at Thornton Fractional.

## *“Our Arrangers”*

Sitting, left to right: Raymond Dockweiler, Emil Rauguth, Edward Kuhlman, Andrew Klein, Edward Alvey...

Standing, left to right: Richard Fitzgerald, Harold Finneran, George Laczny.

The Board of Education might be thought of as the production managers of our “Hit Parade.”

This group of eight men voluntarily offered their knowledge and experience to help “arrange the production” that marked the year of 1954-55.

# *"Count Your Blessings"*

Mr. Aitken Young's guidance and help as the Dean of Boys, is found to be a blessing to those who seek it.

Miss Katherine Brazzill, Dean of Girls, is primarily concerned with the school problems of any T.F. girl. She is always ready to lend a hand to help solve these problems.

# *"How, When, or Where"*

The office personnel keeps the school running smoothly with the assistance of the office workers, a group of girls who have given up their free periods for this purpose.

# "The Freshmen"

"I, as a Stranger" entered these halls and found a new world, a world which was as different to me as night and day. It was one which I feared, and yet looked forward to, in eager anticipation.

There were so many things to be learned, rules and regulations to be followed, and many new faces. These were the faces of those who were later to become my friends.

"I, as a Stranger," entered these halls, and through them I have found, the basis of my high school life.

### DOUBLE SEXTET

The Double Sextet has come to be an institution at Thornton Fractional. This group of twelve girls with their accompanist add beauty to the winter and spring concerts in their formal attire of many hues.

Under the direction of Mr. Jack Wonnell, the group has made many appearances at clubs, P. T. A. meetings, banks, and other business places and has helped to encourage public relations between the school and the community.

## *"Softly, Softly"*

It isn't hard to distinguish the Senior chorus from the other musical organizations at T.F. Under the direction of Mr. Jack Wonnell, and all dressed up in their purple and gold robes, they enliven the spring and winter concerts as well as lend a decorative note. Familiar melodies issue from the band room during the fourth period of each day.

# "Dream Come True"

A fanfare of trumpets, an expectant silence over the audience, followed by enthusiastic applause was the prelude to the crowning of Donna Cunningham and Jamie Vierk as King and Queen of the 1954-55 carnival.

## *"Top Man on the Totem Pole"*

Outstanding athlete, most valuable player, or however you say it, "Jamie" Vierk is still the "top man on the totem pole" in athletics at Thornton Fractional.

During the past four years, "Jamie" subdued all opposition with equal finesse, on both the gridiron and the baseball diamond.

To go with his athletic prowess, "Jamie" did well in the classroom also. Almost every grading period found "Jamie" on the honor roll and he was elected to the National Honor Society for his scholastic abilities.

Under their new coach, Charles Gottfried, the 1954 edition of Thornton Fractional's football team was one of the most successful in recent years, winning 4 and losing 5.

They started slowly, but picked up speed as they went along. If some of the regular team members hadn't been injured for the last few games, the record might have been even better.

This year's squad placed five men on the all South Suburban team. Ron Stockle, James Vierk, Donald Skavara, and Bob Carlson were the seniors chosen, while Earl Van Inwegan represented the junior class.

Although most of the starting eleven will be lost by graduation, boys like Earl Van Inwegan, Don Dahlkamp, Dick Taylor and others will undoubtedly bolster next year's team.

This year our varsity baseball team finished the season with a record of 10 wins, 2 ties, and 4 losses. James Vierk and Joe Basso, the Fractional ace hurlers, pitched exceptionally well throughout the entire season. Basso pitched a no-hit game against Bloom and Vierk, a one-hitter against Calumet Township. The great hustle and team play displayed by everyone on the squad contributed very much to their excellent record.

*we admired*

The manner in which Miss Temple's classes advertised dances, and various other activities.

Donna Kissinger's, Pat Brennan's, Rosalee Trembczynski's, Dorothy Yeargin's, and Carol Dolfin's ability to make friends.

Bob Dunfee's, Ronald Troy's, and Jim Miller's work on the basketball team.

Nancy Drayer's and Margaret Kulczyk's funny shenanigans.

Robert Taylor's, Roger Gililand's, and Wally Jernigan's likable personalities.

Elsie LaSalle's and Pat Radnick's roller skating ability.

Robert Gruhlke's tumbling ability.

Kathy Goldberg's diving and Pat Maurey's singing.

Allen Herbst's ability as MC at the assemblies.

Larry Hill's fine voice.

Rich Matthies's work as P.A.B. president.

Gale Norrgran's efficiency.

Pat Shafer's height.

## *we listened to*

Howard Miller play these songs on the radio every morning before school.

"Let Me Go Lover"

"Mambo Italiano"

"Three Coins in the Fountain"

"Sh Boom"

"Melody of Love"

"Cara Mia"

"Shake, Rattle, and Roll"

"Crazy Otto"

"Skokiaan"

"Open Up Your Heart"

The newest slang, 'I'll be a dirty bird,' and "There you are" on the Georgie Gobel show.

Marie Genova interpret our favorite songs as only she could.

The teachers say, "There will be no unannounced quizzes," when they really meant "Hah! Just wait until tomorrow!"

The teachers say, "You will not be held responsible for Chapter 10 in the test tomorrow." When they meant, "For 65 points: On what page in Chapter 10 did Washington cross the Delaware?"

Mr. Smith says, "Now, folks, get to work."

*we'll wonder what*

The boys found so appealing about standing in front of the library.

Kind of tooth-paste George French used on his beautiful white teeth.

Made Pat Stralko and Nancy Cwetna so devilish.

Body-building school Dan Geisen, Ronne Sayne, and Bob Sharp were enrolled in.

Caused Janice Thirion to be so brainy.

Arlene Tiemens to be so slim.

Made Bob Veg's and Wayne Schultz's eyes so good looking.

Caused Marsha Klein's good humor and Audrey Peters' piano talent.

Made June McGarr bashful about yodeling.

The teachers will think of as the seniors graduate.

The top tunes of next year will be.

*we'll wonder how*

Many detentions Melvin Dubrick handed out as lunch monitor.

Ted Misdorn's and Dick Nelson's hair could be so red.

Georgene Kaleta, Sandy Zaikis managed to keep their long locks when so many TF'ers were wearing "DA's".

Carol Linkiewicz could be so short and yet have such a deep voice.

Many swimmers Ed Lessner saved while employed as a life-guard at Green Lake.

Many honors Donna Cunningham was presented with.

Ronald Pease and Ed Ryba could part with their trademarks — "DA's."

Many skirts and sweaters Mary Lou Soczyk had.
